4.2 (RULE II) REGISTRATION OF PLAYERS WITH GLASA

4.2.1 RECREATIONAL TEAM FORMATION

(RULE II) REGISTRATION OF PLAYERS WITH GLASA

Recreational Team Formation Rules:

1. Under 6, Under 8, Under 10 Groups

New recreational teams and returning teams that need players are formed by one of the following two methods:

- (a) Players are assigned (rostered) to a team by an age group coordinating committee of more than one member on a territorial basis as defined by GLASA; or,
- (b) Players are assigned (rostered) to a team by a random draw from a player pool on a territorial basis as stated in (a) above.

ON NEW TEAMS ONLY, the Head Coach may request their child to be rostered on the team that he/she is coaching. In the event an existing team loses its Head Coach for any reason, the Head Coach position will be filled by a person currently associated with the team or by a person not having any association with any other team within the age group of the team in question. Under no circumstances can a new Head Coach replace the head coach of record and subsequently request his/her child be added or transferred from a different team and placed on the roster of team he/she is now coaching. Exceptions to this rule must be approved by the Board.

Lewisville Soccer Association will only have one team formation process per age group.

Teams which are formed by any other method are considered non-recreational and as such will be considered non-recreational for recreational league and tournament play.

2. Under 12 Under 14 Under 16 and Under 19 Age Groups

Players are assigned by the method described in 4.2.1 #1 above when players are available in the player pool. If no players are available in the player pool, coaches of record may actively seek players of the proper age group within GLASA's territorial boundaries to be added to the team as long as no methods are used to assess the ability of the player and:

- (a) The player is not presently registered on an existing team.
- (b) The player did not play for a returning recreational team during the previous season.

For further clarification see 6 on page 83.

ON NEW TEAMS ONLY, the Head Coach may request their child to be rostered on the team that he/she is coaching. In the event an existing team loses its Head Coach for any reason, the Head Coach position will be filled by a person currently associated with the team or by a person not having any association with any other team within the age group of the team in question. Under no circumstances can a new Head Coach replace the head coach of record and subsequently request his/her child be added or transferred from a

different team and placed on the roster of team he/she is now coaching. Exceptions to this rule must be approved by the Board.

4.2.2 REGISTRATION OF COACHES

1. Each coach/assistant coach/manager of a team shall be required to register with NTSSA each soccer year and will be issued an I.D. card.
2. To register, every coach/assistant coach/manager shall include a copy of a valid photo I.D. and a completed NTSSA coach/assistant coach/referee/volunteer/staff Application, along with the appropriate coaches fee, if any, with the team paperwork at the time of team registration.
3. Any coach/trainer offering or participating in individual/team practice or training sessions, soccer camps, skills camps and or similar activities involving youth players, must be registered with and hold a current, valid NTSSA coach I.D. card.

If the coach has not received an I.D. card from the registration of a youth team, a coach shall register directly with NTSSA. To direct register, a coach shall present a valid photo I.D., complete a NTSSA Coach/referee/volunteer/staff application, and pay the appropriate NTSSA fee, if any.

4.2.3 CONTRACTS

1. Player Contracts will be valid for one (1) Soccer Year. The Soccer Year begins on September 1 and ends on August 31.
2. Upon registering with a Team, a Player must stay with that Team for the duration of his/her membership with GLASA. Transfers and Release will only be permitted for reasons stated in 4.2.3.
3. Contracts for those Players who are new (not returning from the previous season) may not be signed prior to July 1st for the Fall Season or prior to January 1 for the Spring Season.
4. Contracts for those Players who are returning (those rostered on teams in the Spring Season) may re-sign Contracts for the next Soccer Year with the coach beginning June 1st.
5. Players may not be contracted and added to a Team Roster after the fifth weekend of the season, unless the number of Players on the Roster has dropped below the League minimum.

GLASA will only have one team formation process per age group.

Teams which are formed by any other method are considered non-recreational and as such will be considered non-recreational for recreational league and tournament play.

A team not formed of players assigned as defined in 4.2.1 #2 is considered a select/competitive team.

6. Any player returning to recreational play after having played on a competitive/select team must be placed on a recreational team through the process defined in 4.2.1 #2. In the event the player registers to play after the Player assignment has been completed for the Season in question, that player will be ineligible to play until the he/she can be placed through the Player assignment for the following Season.

NOTE: Player assignment is defined as whichever method followed for the age group in question as allowed under either method (a) or (b) in 4.2.1 #2. Player assignment does not refer to the practice allowed in Paragraph 2 where Coaches may seek Players for their age group if the Player Pool is empty.

Justification:

- 1) Eliminate the practice of coaches changing "Head Coach of Record" in order to obtain certain players on their team.
- 2) Adding clause for requiring select/competitive players be placed through the pool method disallows for the player to wait to sign up until after the draw so as to be placed on a certain team.

Recommended for approval by the Board of Directors and Appeals & Discipline Committee.

4.2.4 RELEASES

4.2.4.1 PLAYER RELEASES

Circumstances under which a release can be granted:

(a) In the event of Player insubordination, willful evasion of games and/or practices, serious misconduct, or other such infractions: The Head Coach shall request such release in writing on the appropriate form through his League Commissioner. The League Commissioner will submit the request to the A & D Committee for a ruling.

(b) In the event of serious incompatibilities in the Player/Coach relationship: The Player or Head Coach shall request such a release in writing on the appropriate form through his League Commissioner. The League Commissioner will submit the request to the A & D Committee for a ruling.

(c) At the beginning of the season for those Players who have "played up" to the next higher age group and desire to play in their normal age group: The Player obtains the appropriate release form from their present Head Coach properly completed. The Player turns the release form in to the League Commissioner. The League Commissioner submits the release to A & D for a ruling.

(d) At the beginning of the season for those Players desiring to "play up" to a higher age group: The Player must submit his request on the appropriate release form if the Player is currently rostered on a Team. The release form must be signed by the Player's parents or legal guardian authorizing the Player to play in an older age group. If the Player is not currently rostered on a Team, the request must be made in writing from the parent or legal guardian. All requests (release form from returning Players and written letter from new Players) are submitted to the appropriate League Commissioner. The League Commissioner submits the request to the A & D Committee for a ruling.

(e) At the beginning of the season for those Players not desiring to play soccer for that season. *Housekeeping required only if rule 4.2 is modified as presented.*

4.2.4.2 HOME ASSOCIATION RELEASES

All players/teams shall register or obtain releases from the NTSSA Member Associations within whose boundaries they reside unless that Member Association does not offer a league or competition for a particular age group. The Member Association, which will receive such registrations or releases are those associations having physical boundaries and being members of NTSSA.

(a) Once a player/team has obtained a release from his home association to play on a team outside his home association, that release is valid as long as the player does not return to its home association. If that player/team returns to its home association for league play, a new release is required in order to play outside the home association. (If a player transfers teams during a soccer year, the rules governing mid-year transfers will apply.)

(b) It is the teams' responsibility to retain copies of releases and turn in a copy of each release when the team registers each year. The copy of the release is to be turned in to registering association with the team's registration paperwork.

(c) Each home association that releases players/teams to play outside their association on teams must keep precise records of all releases granted, including the player's name, the team to which he was released, and the date of the release.

4.2.7.1 PLAYER REASSIGNMENT

No USYSA player application, club contract, or any agreement may be signed before July 15 for the coming seasonal year. Any player signing with a team before July 15th may be declared ineligible for the team.

NOTE: Exceptions to this rule may be made by the Youth Commissioner when an entire association has an earlier registration. Definition of "Free-Agent": A free agent is a player in the U-12, U-14, U-16, and U-19 age division who desires to try out or be selected for a competitive team between July 1st and August 31st of the present soccer year. A free agent does not need a release from his team to try out or be selected to play on a competitive team.

However, in such event, the said player will be bound by the rules heretofore stated at the beginning of the next soccer year.

4.5 (RULE V) PROTEST OF AN ASSOCIATION IN DENYING REGISTRATION WITHIN ANOTHER ASSOCIATION

4.5.1 Should a team, or individual player(s) be denied a properly made request to play in another association, as stated in 4.4.1 or 4.4.2 above; that team or player(s) may request a hearing by NTSSA. 7. Should either party decide to appeal the decision of the panel, the party will then file its appeal with the NTSSA Executive Committee according to the Bylaws of this Association.

GLASA has no rule that condones or restricts tryouts.

CHAPTER 7 - CODE OF ETHICS/CONDUCT

7.1 GLASA CODE OF ETHICS FOR COACHES

Show respect and courtesy to the referee at all times. He is the final authority.

Coach yourself before you coach others.

Do your coaching at practice; not at game time. The game belongs to the players.

Teach sportsmanship and fair play.

Control your parents. They are your responsibility.

Show respect and courtesy to other coaches and team players at game time and throughout the year.

Teach soccer. Only professionals have to win.

Allow players to retain their dignity.

Teach your players that honest effort is as important as victory so that the result of each game is accepted without undue disappointment.

Support all effort to remove verbal and physical abuse from children's sporting activities.

SOCCER - THE GAME

THE WORLD AND TEXAS PLAY!

7.2 GLASA PARENTS CODE OF CONDUCT

Children have more need for example than for criticism.

Attempt to relieve the pressure of the competition, not increase it.

A child is easily affected by outside influences.

Be kind to your child's coach and officials. The coach is a volunteer, giving of personal time and money to provide a recreational activity for your child.

The opponents are necessary friends. Without them your child could not participate.

Applaud good plays by your team and by members of the opposing team.

Do not openly question an official's judgment and honesty. Officials are symbols of fair play, integrity, and sportsmanship.

Accept the results of each game. Encourage your child to be gracious in victory, and to turn defeat into victory by working towards improvement.

Remember your child is involved in organized sports for their enjoyment, NOT YOURS!

Encourage your child to always play by the rules.

Teach your child that honest effort is as important as victory so that the result of each game is accepted without undue disappointment

7.3 BOARD MEMBERS CODE OF CONDUCT AND ETHICS

None of us arrives at any administrative level, volunteer or not, without spending some "grass roots" time somewhere. We are appointed or elected to our positions because enough people had confidence in us, appreciation for what we had done in the past and assurance that we could lead them in a positive, productive future. This responsibility of accepting such a challenge, especially in a volunteer capacity, must have some guidelines.

It is important to remember that as board members we are very high profile. As it is with anything that is high profile, we may come under scrutiny from time to time. It is equally important that we remember that we are primarily a service organization and that we treat fellow volunteers as partners with a common goal -the organization, development and promotion of soccer. We should maintain high standards and serve by example.

Have respect for the game, players, officials, parents, coaches, fellow NTSSA member association volunteers and fellow board members and deal with them in a patient, courteous and consistent manner.

Criticism channeled through the proper quarter should be educational, constructive, balanced and positive. Under no circumstances should it be demeaning or detrimental to the self-respect of the individuals involved.

Administrators should be informed and available. As facilitators they should know the right questions, have the ability to elicit the right answers and foster creativity with accountability within their committee or area.

Regarding committeemen and other volunteers: they should be praised for time spent and jobs well done; their suggestions welcomed, evaluated and conclusions communicated to them. Abilities should be recognized and encouraged.

Above all – courtesy, self-control and loyalty. We are role models for the youngest players to the newest association. Our responsibility is to serve them well as we work toward our common goal.
