<p>JUSTIFICATION: GLASA has for many years set a precedence of allowing the Scholarship Committee to review the applications and based on the quality of applications; adjust the number of individuals receiving scholarships. In both 2008 and 2009, the budget was increased to allow GLASA the ability to award scholarships to more graduating seniors. Currently we have awarded scholarships to as many as six seniors. This change request is to update our Bylaw to match what has been happening.</p>
